EcoVia™ WD

wettable dust

Research-Based Botanical Insecticide

New Product

EcoVia WD is a highly effective, broad spectrum insecticide that provides extended residual protection in a versatile botanical solution. EcoVia WD is a FIFRA 25(b) exempt insecticide that was created through extensive scientific research and has been proven in the real world.

- Versatile formula can be used directly as a dust or as a wettable powder
- Broad label includes indoor, outdoor and livestock facilities use
- Perfect for spraying on boat docks and other sensitive areas for spider control
- Great for dusting attics and spraying entry points to repel occasional invaders
- No pyrethroid or neonicotinoid use restrictions

Product Code:

EVWD008: 8 oz puffer bottle
