EcoVia™ WD

wettable dust

Label | SDS (Concentrate) | SDS (Ready-to-Use) | Product Sheet | Allergen Information

FIFRA 25(b) Exempt Insecticide

EcoVia WD is a highly effective, broad spectrum insecticide that provides extended residual protection in a versatile botanical solution. EcoVia WD is a FIFRA 25(b) exempt insecticide that was created through extensive scientific research and has been proven in the real world. EcoVia WD provides the ultimate in application flexibility with no pyrethroid or neonicotinoid application restrictions. A winning combination of efficacy and flexibility in a minimum risk product, EcoVia WD provides PMPs an Unfair Advantage.

- Research-based botanical insecticide, EPA Exempt 25(b) product
- Versatile formula can be used directly as a dust or as a wettable powder
- Broad label includes indoor, outdoor and livestock facilities use
- Perfect for spraying on boat docks and other sensitive areas for spider control
- Great for dusting attics and spraying entry points to repel occasional invaders
- No pyrethroid or neonicotinoid use restrictions
- NOP Compliant
