

# FIREBACK® HAS A NEW CAN WITH DUAL SPRAY & STRAW APPLICATOR

## CONTACT KILL FOR BED BUGS!

Fireback's double-strike applicator delivers the flexibility you need to target the pests you can see and destroy the pests hiding in cracks and crevices. The new permanently attached hinged flip-up straw reaches listed pests hiding in cracks and crevices. Flip the straw back down to expose the opening for a normal spray.

Fireback's active ingredients are also perfect for cockroaches and ants. Fireback kills on contact and provides a 3-month residual. It can be used against 26 additional listed flying and crawling pests, including houseflies, mosquitoes, crickets, scorpions, spiders and millipedes.

*Flip up Fireback's application straw to use in cracks and crevices. Flip it back down for a normal spray.*

Remember, always read, understand and comply with the label. Fireback and Nisus Corporation are registered trademarks of Nisus Corporation. ©2017 Nisus Corporation #FB-FLY-0517

### APPLICATION:

**BED BUGS:** spray mattresses; spray into bed joints; treat baseboards, molding, floors and cracks and crevices. Repeat as necessary. **OUTDOOR CRAWLING INSECTS SUCH AS ANTS & COCKROACHES:** Spray infested surface of patio or picnic area, hitting as many insects as possible. Spray legs of tables and chairs to repel ants; spray ant hills. Follow label for all listed pests.
