FACT SHEET

Sterifab can be applied to any inanimate (non-living surface).

Sterifab is the only U.S. EPA-approved product that is at once: Viricide, Bactericide, Sanitizer, Insecticide, Deodorant, Germicide-Disinfectant, Mildewcide, Fungicide, Bacteriostatic, and Fungistatic.

Sterifab can be sprayed on everything except people, animals, and cooking utensils.

It is highly effective at killing bed bugs, fleas, lice, ticks, and a host of other insects.

**Sterifab is not compatible with wax finishes.*

Sterifab is effective against most gram negative and gram positive and odor-causing bacteria as well as insects, fungus, mold, and mildew.

- Deodorizes and controls odor-causing organisms on carpets.
- Provides for bacteriostatic, fungistatic and deodorization during restoration (smoke, water, sewage backup) process.
- Sanitizes and deodorizes restrooms.
- One of the only non-residual products labeled for bed bugs on mattresses and upholstered furniture.
- One of the only products labeled to kill mites.
- One of the only products labeled for lice control on various surfaces.
- Dries in 15-20 minutes at room temperature, is biodegradable and leaves no residue or active ingredients.
