CrossFire®

CrossFire® Bed Bug Control

The dawn of a new era in bed bug control is here.

CrossFire is formulated to kill pyrethroid-resistant bed bug strains at all life stages, including eggs.

- Patented technology
- Residual control begins working within minutes of exposure
- Approved for direct application onto mattresses
- Quick knockdown and kill
- Non-repellent
- Non-staining
- Kills pyrethroid-resistant bed bugs
- Kills all bed bug life stages by contact and prevents bed bug egg hatch
- For use in residential, institutional and commercial facilities

Reference the CrossFire Quick Reference Guide (<http://mgk.com/wp-content/uploads/2017/03/CrossFire-Quick-Reference.pdf>) to learn about CrossFire Concentrate best practices.

CrossFire changes everything. To find out how, contact your MGK Sales Representative (<http://mgk.com/professional-pest-control/how->

to-buy/find-a-sales-rep/).
