## PT® FastOut® CS Foam Ready-to-Use Insecticide

**FastOut CS Foam is the only microencapsulated, ready-to-use foam with non-repellent activity that provides PMPs with an immediate customer solution against a broad array of termite and general insect infestations.**

Microencapsulated Formulation Delivers Fast, Non-Repellent Results: FastOut contains microencapsulated cyfluthrin with SmartCap™ Technology which exhibits non-repellent activity with a fast-acting formulation to solve problems quickly.

Broad, Flexible Label Includes Termites Plus 34 Insects: FastOut is the only foam spot treatment your technicians will ever need to cover 34 pests, including the ability to utilize in commercial food handling areas.

Easy FoamDelivery Makes Treatment Quick and Hassle-Free: FastOut comes with an effective, dry foam solution in a 20 oz. can from the leader in aerosol technology. FastOut offers quick, hassle-free delivery of SmartCap microcaps
