gal)

\$315.00

pc-bb10

Preferred formulation for active bed bug infestations in maintained environments. Cimi-Shield kills on contact and the non-toxic residual continues to kill newly hatched and introduced bed bugs. No odor, no staining, 100% non-toxic, plus 12 month residual control on textile surfaces like mattresses, furniture, carpets, drapes, etc.

Safety Data Sheet (http://www.birdbarrier.com/library/sds\_Cimi-Shield.pdf)

Cimi-Shield Knock-Out is delivered as 6 ounces of liquid that is mixed with distilled water to make a full gallon. One gallon protects 1,200 - 1,500 square feet of fabric or carpet. Most applications require only perimeter treatment. Cimi-Shield contains a UV marker to verify proper evidence of treatment. Cimi-Shield's active ingredient Residulen, a proprietary mixture of proteins synthesized from soybean oil.
